**Re: Joint Application of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC  
to Establish Green Source Advantage Programs and Riders GSA  
Docket No. 2018-320-E**

Dear Ms. Boyd:

On December 17, 2019, the South Carolina Solar Business Alliance, Inc. (“SBA”) provided an update to the Public Service Commission of South Carolina (the “Commission”) regarding the status of discussions between SBA and Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (collectively the “Companies”) in the above-referenced proceeding. In the letter, SBA and the Companies committed to providing an update to the Commission prior to February 1, 2020 on the status of those discussions. Accordingly, the Companies and SBA respectfully submit this status update informing the Commission that they wish to continue their collaborative work on the Companies’ proposed Green Source Advantage programs and that they believe no Commission action is needed at this time. The Companies will provide an additional update to the Commission by March 13, 2020.

Sincerely,

Rebecca J. Dulin
